

## Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

## ACKNOWLEDGMENTS

THIS supplement on "Present Day Social and Industrial Conditions in Austria" was edited for the American Academy by Professor W. Gleispach of the University of Vienna. The Editorial Council asked Professor Gleispach to prepare this supplement in order that the readers of the ANNALS the world over may have at hand data on present conditions in Austria compiled by Austrian scholars with access to valuable and complete information. Our acknowledgments are due Professor Gleispach for careful and painstaking editorial work.

The Foreword and Chapter III were translated by Friederich Hertz, Chapter VII, was translated by Otto Rosenberg and the remaining chapters were translated by Marianne Herzfeld.

CLYDE L. KING,  
*Editor.*
